

25/26 Required Dress Code, Needed Items, and Additional Fees

Please review class dress code, shoes, hair, and additional related fees for each class your student is registering for.

A proper dress code ensures teachers can see students' alignment and fosters discipline and focus. In addition to required dress codes, students must have:

1. **Dance Bag:** Purchase a labeled dance bag for your student and label all dance shoes.
2. **Dance Floors:** To keep our dance floors safe and clean, no outside shoes are allowed, including dance shoes and hip hop shoes worn outside.
3. **Water Bottle:** Students must bring a secure water bottle to each class.
4. **Hair:** Please note the required hairstyle for each class.
5. **Jewelry:** For safety reasons, students should not wear smartwatches, jewelry, rings, etc., in class. If worn, we will require them to be removed.
6. **Food:** No food is allowed in studio rooms.
7. **Bathroom:** Students should use the bathroom prior to arrival.
8. **Journals & Pen/Pencils:**
8. **Attendance:** When registering, ensure the class time works with your schedule. Students should attend regularly and arrive at least 5-10 minutes before class starts and stay the length of the class.
10. **Parent Observation:** Except for designated weeks, classes are closed to parent observation. This reduces distractions and helps maintain a safe learning environment for all students. While you are known to your child, you are not familiar to others' children. Our parent observation weeks are during the following weeks during the last 15 minutes of class time: September 22-25, November 3-6, February 23-26, and April 27-30.
