**Autopay is required to enroll in classes.			
Tuition is based on an entire season of classes, not classes per month. If making monthly payments, payments are NOT prorated for short or holiday months.			

**TUITION:** Tuition is calculated based on the total hours per week for each individual student, **not** per family.

**It covers the entire season, not individual months.**

You can choose to pay the tuition in full, in two half payments, or in ten equal installments. The first installment is due at the time of registration, and subsequent installments are automatically billed on the 1st of each month (from September 1st to May 1st). Installment payments must be set up as an auto payment with a credit or debit card. Cash and checks are not accepted for tuition.

Please note that tuition is not prorated for shorter months or holidays. Our tuition rates are calculated to account for days off during holidays and therefore, these days are not included in the tuition fee. Rates may change without prior notice.

Tuition secures your child's spot in the registered class, regardless of attendance. Make-up classes are not available.

**There is a \$50 returned auto payment fee for returned payments.**

**DROP NOTICE:** A minimum 30 day notice via email or in person is required before the first of the month to withdraw from a class. Notice given after the first of the month will incur charges for the current month and the following month. Classes may **NOT** be dropped during November, December, April, & May. Tuition will be billed regardless of attendance.
