**DANCE**  
COMPANY

**2026**  
**SPRING**  
**CONCERT**

SNOW CANYON  
HIGH SCHOOL AUDITORIUM

**Welcome to Desert Edge Dance Company's  
Spring Dance Concert!**

Tonight, we celebrate the hard work, growth, and memories made throughout the season. From dancers stepping on stage for the very first time to our advanced students continuing to grow in their artistry and technique, each performer has put so much into preparing for this moment.

Backstage is filled with excitement, nervous butterflies, and lots of smiles as dancers ages 3–18 get ready to take the stage. Your support, cheers, and applause help turn those nerves into confidence and make these moments even more special for them.

Thank you for being here and supporting our dancers throughout their journey. We hope you enjoy the show and the memories being made tonight.

# 2026

# Natasha Dobson

As a graduating Junior from Crimson Cliffs High School, I will be completing my general studies at Utah Tech University. Afterwards, I plan to transfer to the University of Utah to pursue a double major in Modern Dance and Creative Writing. I wish this dance season could last forever; I love my team, assistant teaching, and being a part of our first hip-hop production but I'm also excited for this new chapter!

# Gabriella Scibetta

Graduating feels absolutely unreal to me, it feels like just yesterday I started. I am graduating a year early from Utah Online High School. After graduating, I plan am to pursue a Psychology Degree at USU. Dance has played one of if not the most vital role in shaping me into the person I am today, and I don't plan on stopping anytime soon. I absolutely adore all of the amazing and talented people I've met throughout my time at DEDC from the bottom of my heart and I can't wait to continue on to this next exciting chapter of my life!

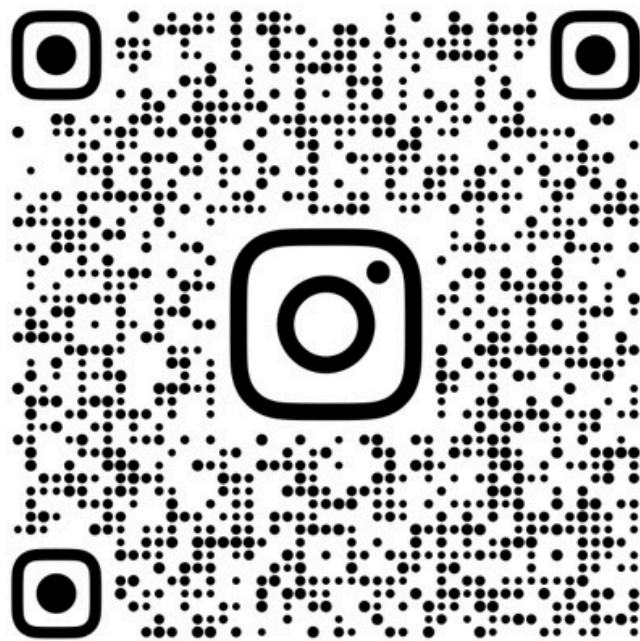

# DESERT EDGE DANCE COMPANY

As we wrap up our Spring Dance Concert, we wanted to give a huge shoutout to all the awesome parents and audience members who came out to support us this weekend. Your cheers and applause really made our performance extra special. Thank you so much for being there and making it a fantastic experience for all of us!
